## Federal Return Issues

### ❖ Do not want to include NJ Return at all

- **TWO:** Main Info, State Information section
  - Check box labeled “If you are not preparing a state return, check here” and
  - Remove NJ from “Full year resident” box on next line
- See NJ Issues when do not want to e-file NJ return, but do want printed NJ return

### ❖ W-2 NJ Special Taxes (Unemployment, Disability, and Family Leave)

- **Tax Law:** Federal – allowable as part of Sch A, line 5a (unless Private Plan)
- **TWO** W-2 worksheet box 14:
  - Special Codes:
    - Use **NJSUI** for Unemployment (UI / WF / SWF) – flows to Sch A automatically
    - Use **NJSDI** for Disability (DI) – flows to Sch A automatically
    - Use **NJFLI** for Family Leave (FL / FLI) – flows to Sch A automatically
    - If Private Plan (PP#) then do NOT use above codes because private plans are not deductible on Sch A (e.g. use **NJSDIPP** for Disability Private Plan amount)
      - ◆ (See also NJ 2450 Handling below)
  - Other amounts in box 14 (e.g. 414H / PERS) – include, but do not affect TWO calculations
  - UI, DI, FLI amounts may also appear in or below box 19 / 20 on W-2 paper form

### ❖ US Savings bonds or other Federal obligations (1099-INT Box 3)

- **Tax Law:** Federal – taxed; NJ – not taxed

    - “+” in State adjust + / - column and Amount in State adjust Amount column

## ❖ Exempt Interest Dividends from Mutual Funds (Form 1099-DIV)

- **Tax Law:** Federal – not taxed; NJ – taxability varies
  - Interest attributable to federal obligations (including Puerto Rico, territories, etc.) are always tax-exempt
  - Unlike interest from NJ Bonds held directly, interest attributable to NJ Bonds held by mutual funds is only tax-exempt in NJ if the mutual fund is NJ specific (“NJ Qualified Investment Fund” – New Jersey will usually be part of fund name)
  - Interest attributable to other states is always taxed in NJ
- **TWO:**
  - Need breakdown of exempt interest dividends – Federal, NJ, All other states
  - Enter 1099-DIV, box 10 amount in the “Exempt int. div.” column, as usual
  - If fund is federal or multi-state fund, then on Dividend Stmt, add “+” all non-Federal amounts (including NJ amounts) to State Adjust column
  - If fund is NJ specific, then on Dividend Stmt, add “+” only All other states amount to State Adjust column

## ❖ State Income Tax Refunds (Form 1099-G)

- **Tax Law:** Federal – may be taxed; NJ – not taxed
- **TWO:**
  - Ignore if did not itemize last year or used Sales Tax (line 5b) instead of Income Tax (line 5a) last year
  - If have prior year return or carry forward (i.e. have prior year data) then
    - Link to State Tax Refund Worksheet from 1040 line 10 to enter amount, then fill in other info on worksheet to determine if whole refund is taxable (it usually is)
  - Otherwise, if may have itemized last year and missing prior year return, then enter amount directly on 1040, line 10

- **TWO:** 1099-G Worksheet – No special action required

## ❖ NJ Lottery (W-2G from NJ Lottery Board)

- **Tax Law:** Federal – taxed; NJ – taxed if over 10,000 / Not taxed if 10,000 or under
- **TWO:** W-2G Worksheet – If less than or equal to 10,000 then check box labeled “See F-1 Help on the state return for the use of this box Instructions vary by state” (bottom near Box 13)
- (Don’t forget to enter losses in box labeled “Gambling losses to be transferred to Schedule A” – even if not itemizing because net amount used on NJ return)

- See NJ Issues for handling on NJ-1040 line 30

## PP15-02 – TWO NJ Special Handling TY2015

### ❖ Property Tax

- **Tax Law:** Federal – deduction allowed for multiple properties (Principal Residency not relevant); NJ – deduction/credit only allowed for Principal Residence (in NJ)
- **TWO:**
  - **Problem: Taxpayers may bring various kinds of documentation for their property taxes paid – figuring the right amount to enter depends on what documentation the taxpayer has:**
    - See page “How to Calculate Property tax paid on Principal Residence”

### ❖ Property Tax Rebate (PTR) and/or Homestead Benefit

- **Tax Law:** Federal – Recovery amounts must be included on return, but are allowable on either Sch A or line 21; NJ – do not include at all

## NJ Return Issues

### ❖ NJ-1040 Pg1

- **County/Municipality Code** (look in NJ-1040 Instructions or use State Help to lookup codes; lookup link also available via Preparer page)
- **Check if enclosing copy of death certificate** Use only if there is a refund due and you wish a paper check to be issued in the name of surviving spouse (must paper file in this case). Not necessary if using direct deposit.
- **Check if your name has changed** Check if applicable.
- **Check if your address has changed** Check if applicable.

### ❖ NJ-1040 Pg 2

- **Line 11** (Exemptions) – enter count of dependents attending college (note age < 22 and other important conditions apply – see NJ-1040 Instructions for line 11)
- **Line 13** (Dependents) – be sure to link to NJ Dependent worksheet to check health insurance boxes if applicable
  - **If have any EIC qualifying dependents with Code=0 on Main Info** then need to add these dependents manually to NJ Dep Wkt (see below)
- **Gubernatorial Elections Fund** – check according to TP instructions
- **Line 18** (Net gains ...) – May need to adjust for NJ exempt securities (use Scratch Pad on NJ Sch B line 3)
- **Line 19a** (Pensions, ...)
  - May need to adjust for 3-year rule pensions (see NJ Three Year rule page)
  - Disability pension with “Check if disability...” box on 1099-R worksheet checked AND pension not being received “due to permanent and total disability”:
    - Add taxable pension amount back onto line 19a via Scratch Pad (Plus taxable amount)
  - Disability pension with “Check if disability...” box on 1099-R worksheet not checked AND TP under 65 AND pension being received due to “permanent and total disability”:
    - Remove taxable pension amount from line 19a via Scratch Pad (Minus taxable amount)
- **Line 19b** (Excludable pensions, ...)
  - IRAs are handled properly when NJ IRA Wkt is filled out – following is for pensions only.
  - Pensions: If have any contributory pension(s) for which Box 1 amount is only partially taxable in NJ, then add a Scratch Pad off line 19b (same Scratch Pad for all applicable pensions is ok) and either:
    - Does NOT apply if pension is not taxed at all in NJ (e.g. military, RRB, disability under 65);
    - Plus non-taxed amount, if known directly (e.g. Simplified General Rule worksheet, line 6); or
    - Plus Box 1 amount on one line, and Minus Box 2 amount on second line (e.g. regular pension with both Box 1 and Box 2a filled in)
  - If done properly, NJ-1040, Line 19a amount + 19b amount should equal sum of Box 1 amounts for all 1099-Rs taxable in NJ.
- **Line 25** (Other) – If property tax refund(s) or 1099-C income (1099-C is for Cancellation of debt) were added on federal 1040 line 21, then need to reverse because not taxable in NJ:
  - Link to NJ Other Income Statement (do not use regular scratch pad)
  - If only one amount to reverse:
    - Negative amount in section F corresponding to Property Tax or 1099-C amount carried from federal line 21. Document using associated text box
  - If more than one amount to reverse:
    - Attach Scratch pad to section F amount and include negative amount and description for each
- **Line 27a** (Pension Exclusion) – May need to adjust for Three Year Rule pensions (see NJ Three Year Rule page)

## PP15-02 – TWO NJ Special Handling TY2015

- **Line 30 (Medical)** – If had a) Federal pre-tax / NJ after-tax medical insurance premiums (e.g. Section 125 / cafeteria – note: this may only be verifiable by looking at the pay stub), and/or b) HSA medical distributions, and/or c) FSA medical distributions then
  - Make sure all entries that would affect NJ-1040, line 28 are entered and run Diagnostics to be sure no problems
  - If NJ-1040 line 30 already > 0 then add Scratch pad
    - Plus NJ after-tax medical insurance premium amount
    - Plus HSA distributions used for medical expenses
    - Plus FSA distributions used for medical expenses
  - If NJ-1040 line 30 is zero then add Scratch pad
    - Plus Amount from Federal Sch A Medical (if any)
    - Plus NJ after-tax medical insurance premium amount
    - Plus HSA distributions used for medical expenses
    - Plus FSA distributions used for medical expenses
    - Minus 2% of amount on NJ-1040 line 28 (Gross Income)
    - Note: if result is < 0 then delete Scratch Pad – No NJ Medical deduction

### ❖ NJ-1040 Pg 3

- **Line 37a (Total property taxes paid)**
  - Adjust, if necessary, to be total property taxes (including any Homestead Benefit credit)
    - e.g. if PTR Base amount used on Worksheet F, then add Scratch Pad to 37a with:
    - Plus total property tax received by tax authority (including any Homestead Benefit)
    - Minus PTR base year amount
- **Line 37b & 37c & Checkbox (Block, Lot, Qualifier & County / municipality code & “Check if ...”)**
  - No entry if not homeowner during year
  - Qualifier only applies to condominiums
  - Info is for principal residence on Dec 31 (or last date TP was homeowner)
  - Block, Lot, Qualifier available from tax bill or green postcard
    - Or can use NJ Property Tax List Search on Preparer page
  - Municipality code lookup tool available on Preparer page
  - “Check if you completed worksheet F” checkbox
    - Should read “Check if you completed worksheet F-1”
    - Check the box ONLY if the taxpayer had multiple residences or the property has multiple owners or consisted of multiple units.
- **Line 45 (Use Tax)** – Explain to TP and fill in as appropriate
  - See NJ-1040 instructions for more information (Worksheet G may be helpful)
    - Don’t forget to add amounts for each purchase > \$1,000 to “standard” amount from Estimated Use Tax chart in NJ-1040 instructions
- **Line 50 (NJ Estimated Payments)**
  - (See F/S Tax Paid page)

### ❖ NJ-1040 Pg 3 – Worksheet F, Line 1

- This can be confusing - See page “How to fill out Worksheet F”

### ❖ NJ-1040 Pg 3 – Do you want to electronically file this return?

- Check No if there is no need to file NJ-1040 but TP wants printout
  - Be sure to mark printed copy “No Need to File – Info Copy Only”
- See Federal Issues if do not want to include NJ return at all

### ❖ NJ Dep Wkt (Dependents Information)

- Check box for any dependents who do NOT have health insurance

## PP15-02 – TWO NJ Special Handling TY2015

- Must manually add (via override) any EIC qualifying dependents that were listed on Main Info with Code=0 (Non-Dependents)

### ❖ NJ IRA Wkt (IRA Withdrawal Worksheet)

- Must have one NJ IRA Wkt for each IRA distribution
  - Use “+” in tree to add and enter 1, 2, 3, ... in second box at top
- Enter info for after-tax contributions (if known); take red out otherwise

### ❖ NJ 2450 (Excess Unemployment and Disability)

- Should automatically get added to NJ tree (if more than one W-2)
  - Note: There is separate form for TP and SP
- Add any Private Plan (PP#) amounts via Scratch Pad linked from appropriate box
  - Be sure to also fill in Plan number box

### ❖ NJ 2210 (Underpayment of Estimated Tax)

- NJ allows volunteers to use the same approach as on the federal return, i.e. always make sure the calculated underpayment penalty (NJ-1040, line 46) is set to zero.
- If using the standard NJ template, then NJ-2210 will be in the tree with box 19 set to 0 via override. This will prevent NJ-2210 from ever being red and no penalty will be added to the return.
- If not using the standard NJ template, then NJ-2210 will show up as red in the tree when TW determines that a penalty is due to NJ. To resolve this:
  - First, enter last year’s NJ tax (TY2014 NJ-1040, line 39) in box 4b. If box 19 goes to zero, then you’re done. (No penalty is owed)
  - If line 19 is still greater than zero, then enter “1” in box 4b. This will force the calculated penalty to zero.
- Even though the penalty is removed from the return, you should inform the taxpayer that they may still receive a penalty notice from the NJ Div. of Tax. See Pub 4012, page K-4, “How can a taxpayer avoid a balance due in the future?” and discuss with TP. (NJ-1040-ES is available in TW; NJ-W-4 and NJ-W4-P are available on the NJ Div. of Tax website.)
- Note: for information on handling penalties on the federal return (Form 2210), see Pub 4012, page H-3 (as modified by PP14-03 Pub 4012 Notes TY2015).

### ❖ NJ-1040-H (Not in TaxWise – must file manually)

- See page “New Jersey Property Tax Deduction / Credit” and NJ-1040 Instructions page 48

## How to Calculate Property tax paid on Principal Residence (Sch A, line 6, box 3 and NJ-1040, line 37a)

<b>Source</b>	<b>Sch A, line 6, box 3 Amount</b>
<b>Postcard</b> from Assessor's office	Amount on postcard
<b>Form 1098</b> showing property taxes paid	Amount on Form 1098 plus(+) any Homestead Benefit amount for 2012 applied as a credit to 2015 tax bill (lookup if necessary)
<b>TP record</b> of property tax payments (e.g. cancelled checks)	TP record amount plus(+) any Homestead Benefit amount for 2012 applied as a credit to 2015 tax bill (lookup if necessary)
<b>Tax bills</b> for 2015 (last two quarters of 2015 bill and first two quarters of 2016 bill)	Total of calendar 2015 amounts [Note: ignore any Homestead Benefit adjustments/credits]
<b>PTR-1A/2A</b> (2015) form filled out by tax office	Amount from PTR-1A/2A (2015) line 3 or line 5 should <u>NOT</u> be used. (Because it has not been adjusted for any Veterans or Senior Citizen deduction(s))
<b>None of the above</b>	TP should go home to get one of the above or contact tax office to get information on property taxes paid in 2015

Note 1: Homestead Benefits received as a check do not count as being applied as credit to municipal bill.

Note 2: See separate page for instructions on how to lookup Homestead Benefit amount.

Note 3: Only enter Property taxes paid on Principal Residence on Sch A, line 6, box 3. Property taxes paid on property other than Principal Residence are still deductible on Sch A, but should be entered on line 6, box 4 (instead of box 3).

Note 4: If using Postcard or Tax bills, then any Property tax amounts billed for 2015, but not actually paid in 2015 should be subtracted from the above amount.

Note 5: Any Property tax payments made in 2015 for prior years and not already included in above amount should be added.

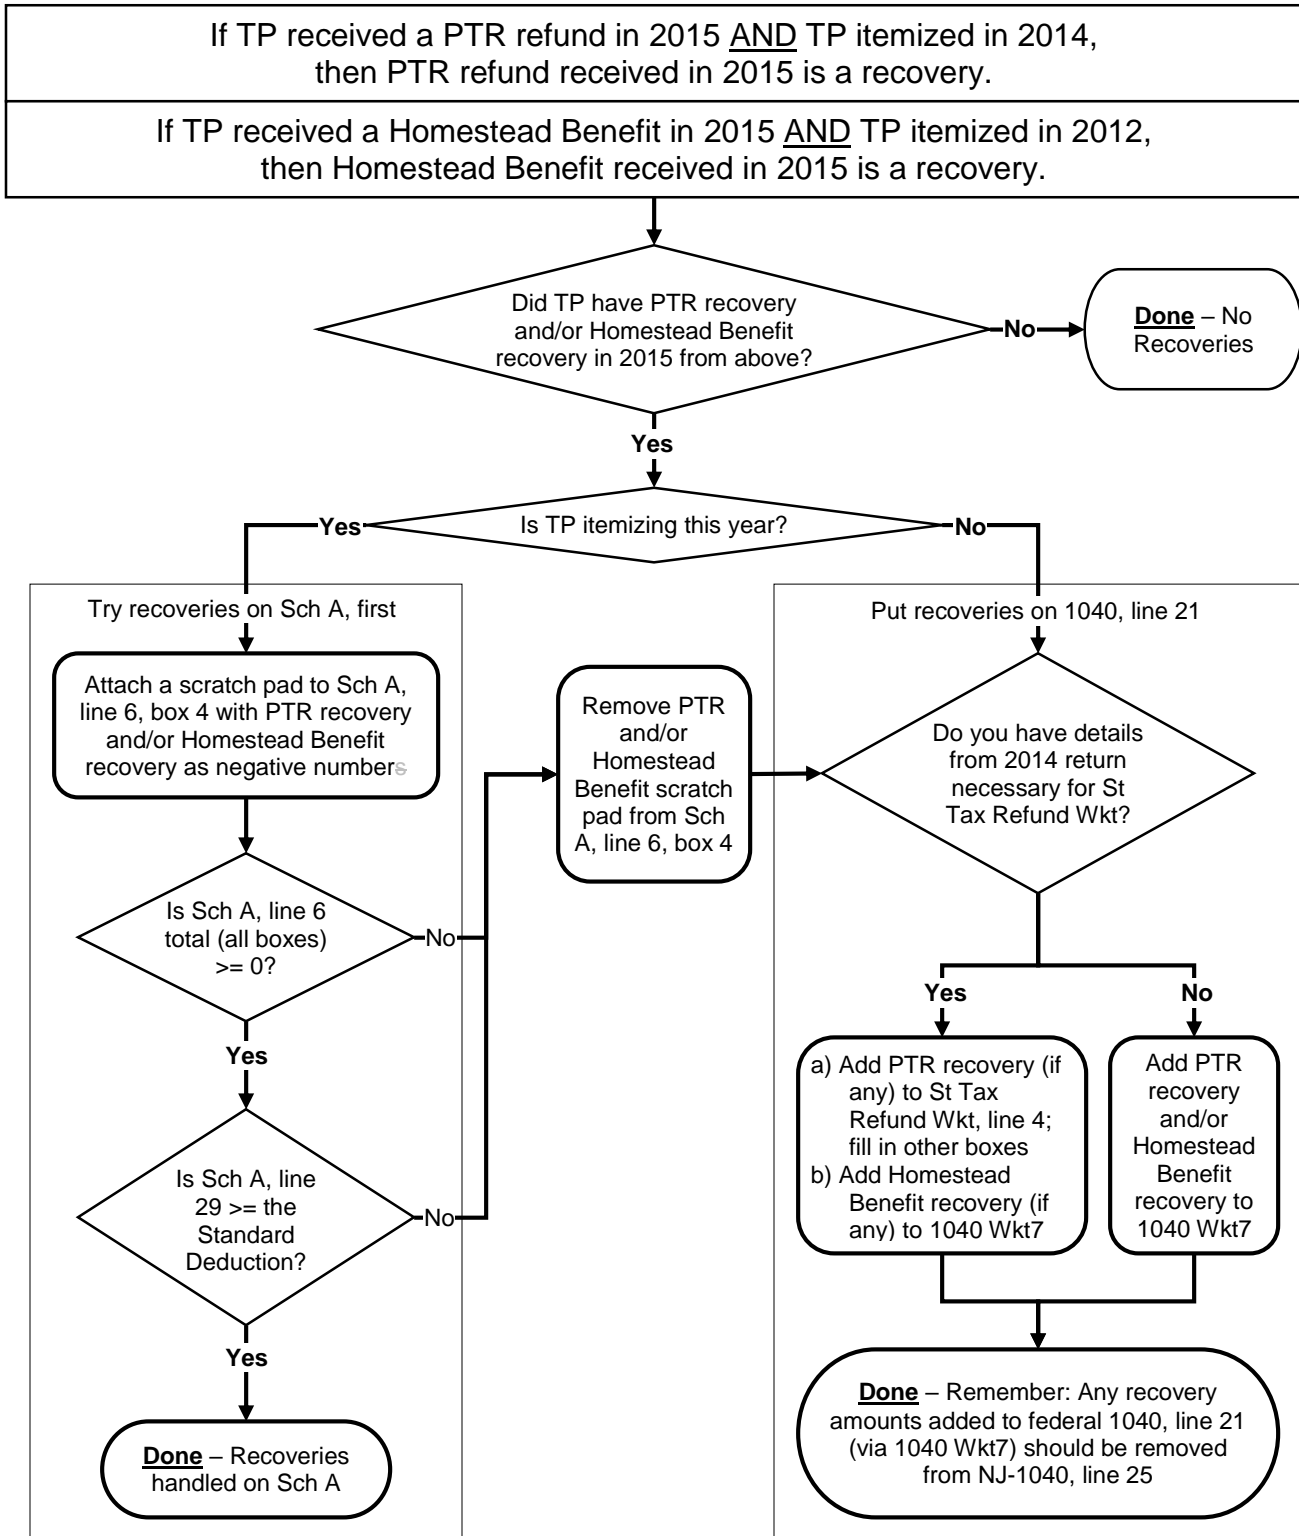

Note 6: The property tax paid amount is after any Disabled Veterans Exemption, Veterans Deduction, or Senior Citizens Deduction amounts which may apply.

Note 7: If there are a) multiple owners for a residence, and/or b) multiple or partial year residences for the taxpayer(s), then Worksheet F-1 in the NJ-1040 instructions can be used to calculate correct amounts for Federal Sch A, line 6, box 3 and NJ-1040, line 37a. The PTR has its own built-in calculations for multiple owner situations.

## How to Lookup Homestead Benefit received in 2015

New Jersey property tax payers who qualified for a property tax benefit on their property taxes paid in 2012 were able to apply in 2013 for their Homestead Benefit and their Homestead Benefit was ultimately received as an adjustment in 2015 to their local property tax due. The taxpayer may bring in a copy of their 2015 tax bill that will show the adjustment amount. If they do not know the amount, there is a lookup tool available on the NJ DoT (New Jersey Division of Taxation) website. From the TaxPrep4Free.org Preparer page there is a link to the NJ DoT lookup tool.

## How to fill out Worksheet F

<b>Column A box</b>	<b>What to fill in</b>
First box (Rent you paid in 2015):	Rent paid for principal residence [Note: Rental unit must pay property taxes and unit must have own kitchen and bath] [Note: Subsidized rentals are ok (e.g. Section 8), but if landlord does not pay property tax (e.g. P.I.L.O.T.), then not entitled to deduction/credit.]
Second box (Property taxes you paid in 2015):	If filing PTR-1 (or PTR-2) for 2015, then use PTR base amount [Note: if using TW, then line 37a will need to be adjusted] Otherwise use amount carried from Sch A (assuming Sch A line 6 box 3 filled in using instructions on separate page)

Note 1: It is ok to have both rent and property tax on Worksheet F, but only one dwelling can qualify as principal residence on any day. (i.e. cannot include property tax / rent paid on more than one dwelling for same day)

Note 2: TaxWise will not calculate the remainder of Worksheet F if TP does not qualify for the credit. From NJ Instructions: "Taxpayers who were not 65 years of age or older or blind or disabled on December 31, 2015, with gross income of \$20,000 or less (\$10,000 if filing status is single or married/CU partner, filing separate return), *are not eligible for a property tax credit.*"

## NJ Three Year Rule

**Tax Law:** (see NJ-1040 Instructions or NJ GIT-1 for more detail)

“If you will recover your contributions within three years from the date you receive the first payment from the plan, and both you **and** your employer contributed to the plan, you may use the Three-Year Rule Method to determine your New Jersey taxable pension income. The Three-Year Rule allows you to exclude your pension and annuity payments from gross income until the payments you receive equal your contributions to the plan. Until that time, the amounts you receive, because they are considered your contributions, are not taxable and should not be reported on your return. Once you have received (recovered) an amount equal to the amount you contributed, the payments you receive are fully taxable. Since the Three-Year Rule has been repealed for Federal income tax purposes, if you retired after July 1, 1986, the taxable amount of pension or annuity that you report on your New Jersey return when using this method will differ from the amount you report on your Federal return.”

## Adjusting New Jersey Return for the Three Year Rule

- NJ-1040 line 19a (Pensions...) – add Scratch pad
  - Plus difference between federal gross amount (box 1) and federal taxable amount (box 2a) (all years)
  - Minus Three Year Rule amount (only until contribution is recovered)
  
- NJ-1040 line 19b (Pensions...) – add Scratch pad
  - Plus Three Year Rule amount (only until contribution is recovered)
  
- NJ-1040 line 27a (Pension Exclusion)
  - Calculated by TW from federal taxable amount, not amount from NJ-1040 line 19a, so line 27a amount may be wrong
  - While contribution is being recovered and line 27a amount is greater than line 19a amount
    - Add Scratch Pad to adjust line 27a amount down to line 19a amount
  - After contribution is recovered and line 27a amount is less than line 19a amount
    - Add Scratch Pad to adjust line 27a amount up to line 19a amount
